# The Jack

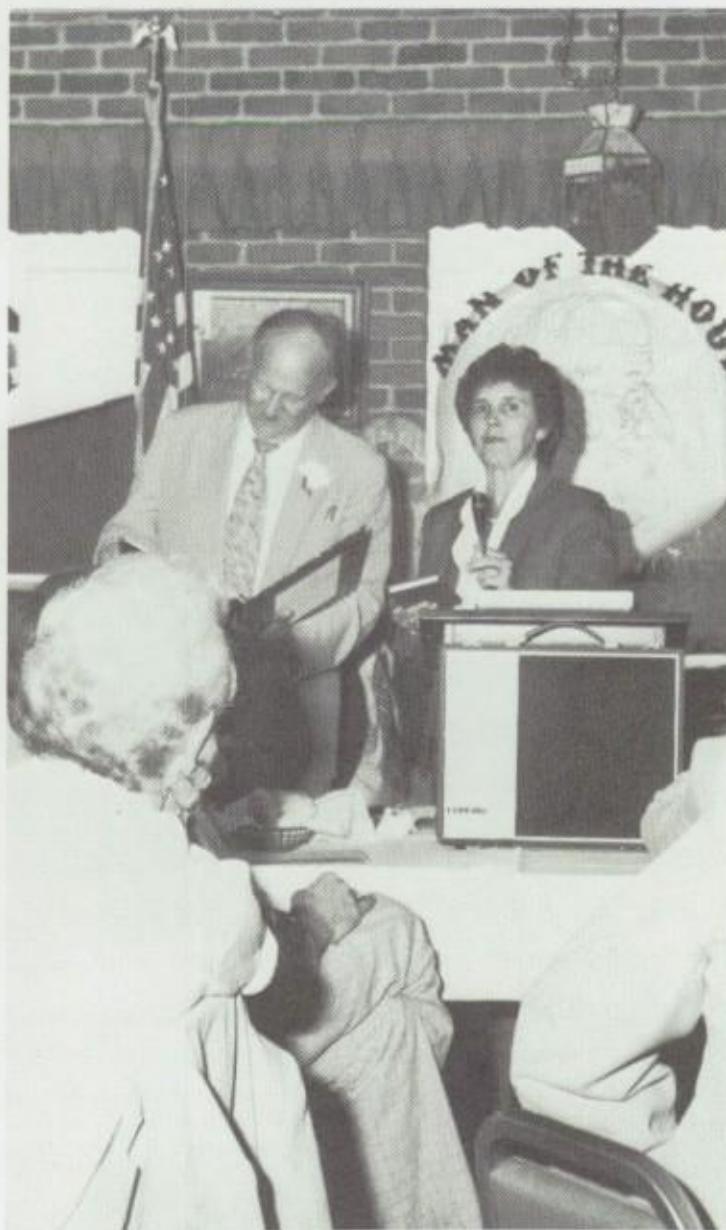

On Thursday evening, June 4, 1981, the faculty met at Corrova's to roast one of their favorites — Mr. Jack Blose. After 35 years in education, Mr. Blose had announced his retirement.

As the pictures indicate, an enjoyable and delightful time was had by all. The emcees of this event were none other than Mr. Otte, and Mr. Langdon who very wittingly announced each of the roasters of the evening.

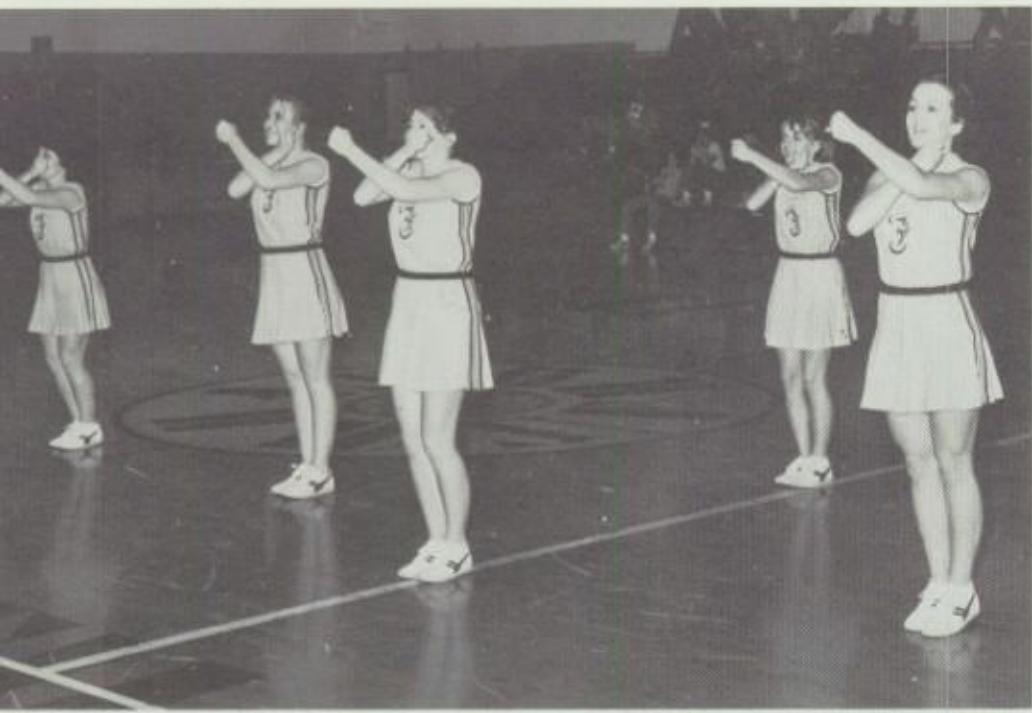

With all of the laughter and enjoyment, there was also a hint of sadness because the main reason we were there was not only to say good-luck to a man we all liked but also to say good-by.

## FOOTBALL

The quarterback calls signals and  
The players start to run  
And cleats go digging in the turf  
Until the final gun.

It is a game of skill and wit  
For amateur and pro  
That glorifies the passing arm  
And educated toe.

A game in which the touchdown is  
A most important score  
But character and fairness are  
The things that mean much more.

## Division 105 Lt. Governor, Jennifer Slaughter

Under the leadership of President Jerry Feyh, Vice-President, Terri Rackham, Secretary Brenda McLaughlin, and Treasurer, Mark Robinson, the Key Club had an action-filled 80-81 school year.

In September, we addressed and delivered 5,000 resource catalogues for the Teacher Corps. We sold spook insurance and helped two new key clubs in the SW District.

The Key Club organized a school-wide Thanksgiving food drive. Several school clubs contributed turkeys, so that the Key Club assembled and delivered eight food baskets to needy families in our area.

All in all, we had a fine year. If the new officers continue to follow in the footsteps of this year's officers, it will be yet another fine school year for the Key Club in 81-82.
